Terms of Service

Our Terms of Service outlines how we provide services. It includes your rights and responsibilities as a client, and our rights and responsibilities as a service provider.

Together with the Service Agreement, these Terms of Service form part of your agreement with CliniKids. Failure to meet your responsibilities as listed below may result in withdrawal of services.

Please note: Our Terms of Service are subject to change. We will provide four weeks' notice before any changes take effect.

If you have any questions, please contact us on (08) 6319 1133.

- ▶ Establish a written Service Agreement with you about the expected outcomes and the nature and price of supports to be provided.

- ▶ Make sure all therapists are qualified and attend regular training.
- ▶ Follow the NDIS Practice Standards that ensure services are high quality.
- ▶ Promote safe work practices and environments.

You will:

- ▶ Work together with your therapy team around goal setting and an agreed approach to service delivery.
- ▶ Work collaboratively with CliniKids and treat CliniKids property and its staff with courtesy and respect.

- ▶ Give CliniKids at least 48 hours' notice if you need to cancel a session or service.
- ▶ Acknowledge that repeated non-attendance without notice or reason may lead to the loss of your regular timeslots as well as a charge in accordance with CliniKids' cancellation policy.

- ▶ Give at least 14 days' notice of termination of services with CliniKids.
- ▶ Provide a safe environment for clinicians in the event of home visits.

Charges

Our pricing is subject to change. We will provide four weeks' notice for any changes that affect you.

We don't charge for the following activities:

- ▶ Booking appointments with you.
- ▶ Setting up NDIS services, including completing Service Agreement and creating service bookings.
- ▶ Completing invoices and payments.
- ▶ Therapists or students who attend appointments for learning purposes.

Travel

When we provide therapy in the locations outside of our clinic rooms, including your home, school, and other community settings, we charge for the time it takes for your therapist to travel to and from an appointment from their regular place of work.

Where possible, we book appointments with other clients in your area on the same day to reduce travel costs. You can also choose to receive therapy online via teletherapy to reduce travel costs. Your therapist can assist you in deciding if this is appropriate for your goals.

The maximum we charge for travel per NDIS-funded appointment in the Perth metropolitan area is 30 minutes each way.

Privately funded clients are charged for the time that it takes the clinician to travel to and from an appointment.

Cancellations

If you need to change or cancel an appointment, we ask that you provide 48 hours' notice to avoid a late cancellation fee.

If your appointment is directly following a day when CliniKids is not open, for example a public holiday or weekend, you can email us on clinkids.reception@telethonkids.org.au to cancel, or phone and leave a message on 08 6319 1133 and your cancellation will be time stamped at the time you contacted us.

If you miss an appointment or cancel within 48 hours, we will charge the full cost of your appointment, including any time booked for travel.

If you cancel often, we will discuss what help you might need to attend appointments. If we cannot find a solution, we may decide to stop services until you are able to attend your appointments.

If your therapist needs to cancel an appointment, we will be in touch with as much notice as possible and do our best to reschedule.

Invoice Payments

Payment of all invoices is the responsibility of the client, regardless of funding type. We will provide an invoice after each service. Please ensure your plan manager is aware of our terms of service to avoid any disruption to your sessions.

You can pay with EFTPOS or by credit card (VISA or MasterCard) or make an electronic funds transfer, as detailed on the service invoice. We will provide you with a receipt via email, unless a printed copy is requested. Invoices are payable at the time of receipt of the service or within 7 days of the invoice date.

- ▶ It is your responsibility to let CliniKids know immediately if the NDIS plan is suspended or replaced by a new plan, or if your child stops being a participant of the NDIS.
- ▶ It is your responsibility to keep track of the spending against the NDIS plan and ensure that there are sufficient funds to pay for the supports provided by CliniKids.
- ▶ If payment is not received within 7 days, we will send you a reminder.
- ▶ If payment is not received within 14 days, we will follow up with you to request payment immediately so as not to impact your services.
- ▶ Invoices that are outstanding by 28 days or more may result in suspension of your services. You will be responsible for charges associated with debt collection.

If you are having difficulty settling your fees, **please reach out and discuss this with us.**

A final invoice will be sent within 10 business days of your service end date.

NDIS Participants

CliniKids will contact you prior to expiry of your NDIS plan, where you have provided this information to us, to discuss if you want CliniKids

services to be provided beyond your NDIS plan expiry date, and confirm payment arrangements.

You are required to let CliniKids know immediately if your NDIS plan is suspended or replaced by a new NDIS plan or if you or your child stops being a participant of the NDIS.

You are required to keep track of the spending against the NDIS plan and ensure that there are sufficient funds to pay for the supports provided by CliniKids.

If your plan is NDIA managed, CliniKids will claim payments from the NDIA under a service booking. If your current plan expires while you are still actively engaged in CliniKids services, and you are waiting for a new plan to be issued, supports will continue as arranged previously with mutual consent and CliniKids will update the service books through the portal for payment claims.

NDIS Service Bookings

We need an active service booking in the NDIS Participant Portal to start delivering services. A service booking allocates funding from your NDIS Plan for the services we will provide over an agreed timeframe.

If you have asked the NDIA to manage all or part of your funding, we will claim payment after we have provided services. This is referred to as an NDIA or Agency Managed Plan.

If you have an Agency Managed Plan (NDIA), we can make a service booking on your behalf in the NDIS Participant Portal (My Place). By signing this Terms of Service, you provide your consent for CliniKids to make claims against this service booking for services provided to you.

You can see what we have charged for in the NDIS Participant Portal (My Place). You can also request a Statement of Services from us at any time.

We want to know when therapy is going well and when there are issues.

You can give us feedback by:
